

Renewal of Annual Membership Dues for the National Public Health Information Coalition (NPHIC)

Dear NPHIC member,

We want to express our heartfelt gratitude for your continued support and commitment to NPHIC. Your dedication is what allows us to continue advancing public health communication across the country.

We are steadfast in our commitment to NPHIC's core mission – promoting and advancing public health communication through collaboration, advocacy and innovation. In these times of rapid change, your membership is more important than ever to help NPHIC remain a vital resource for public health communicators, like you.

Your continued membership provides several enduring benefits:

- **Agility:** NPHIC can quickly respond to emerging public health issues, providing resources and guidance in real-time.
- **Networking:** Access to a network of dedicated public health professionals and stakeholders, offering valuable opportunities to exchange ideas and foster collaboration.
- **Professional Development:** Ongoing access to webinars, workshops and other educational materials aimed at enhancing your skills and knowledge.
- **Resource Sharing:** A wide array of tools, templates and research findings available to help you in your day-to-day work.
- **Advocacy:** A strong voice in shaping public health policies and advocating for critical issues that affect communities nationwide.
- **Collaboration:** The opportunity to work together with like-minded professionals on pressing public health challenges.

Please see attached instructions to renew your membership through the NPHIC website. Should you need help, do not hesitate to contact Laura Espino at (lespino@nphic.org).

Thank you for your unwavering commitment to NPHIC. We look forward to working alongside you in the year ahead.
